Sunday School

The purpose of Children's Sunday School:

Help kids learn about God, Jesus and the Bible.

For kids to be with their peers and friends.

Allow parents to enjoy the church service and their Sunday School peacefully.

Sunday School

Will be offered during the 10:00 and 11:10 services

Will be in large classrooms

Will not have more than 12 students per classroom

Will practice social distancing

The church will:

Make sure the Sunday School rooms are cleaned after each use.

Provide space that ensures the children can maintain six feet of separation.

Keep record of each person who uses each room.

Offer hand sanitizer in each room.

Provide SS materials to the kids so there is no 'passing' of papers.

Send parents a notification if someone in their child's SS class has COVID.

Sunday School teacher will:

Notify Brittney if they were exposed to COVID.

Wear a mask.

Parents will:

Do their best to sign their child up for Sunday School by Friday at noon, but this is not mandatory or essential.

Drop off their kids before the service starts to reduce children's interruptions and interactions during the service.

Parents can sign up to teach Sunday School in a rotation.

Children will:

Kindergarten or older will wear a mask.

Maintain the six-foot guidelines implemented in their room by staying in their seat.

Continue their lesson in the hallway if they refuse to wear a mask.

Have a wonderful time learning about the Lord in a fun and safe environment.

K.I.C.K.S.

Where: Sanctuary and/or outside

When: 4-6pm

The church will:

Make sure the sanctuary and bathrooms are cleaned before and after.

Provide easily accessible hand sanitizer.

Keep record of each person who attended.

Provide materials in advance for the kids so there is no 'passing' of materials.

Leaders will:

Wear a mask indoors.

Check temperatures before children enter.

Children will:

Wear a mask if they are indoors.

Maintain the six-foot guidelines implemented in their room.

Have a wonderful time learning about the Lord in a fun and safe environment.
